ELECTION CAMPAIGN POLICY

State officer candidates and/or their supporters **may NOT openly share** that the candidate is running for a state office and **may NOT address the candidate's qualifications** both verbally and in writing (e.g. social media, etc.). Candidates and/or their supporters must never make disparaging statements about another candidate. Candidate names and information may only be shared by NC FCCLA, at times in which the organization feels best to release to the delegation and voting delegates.

State officer candidates and/or their supporters must not purchase, create, or distribute any physical paraphernalia supporting the candidate, including but not limited to: business cards, brochures, stickers, etc.

If a member or adviser of NC FCCLA has evidence that a candidate and/or their supporters, State Officer Selection Committee Member, or Voting Delegate has violated these policies; such violation must be reported, in writing, via email to ncfcla@fcclainc.org prior to the close of the voting process.

The state Executive Director and the State Selection Committee will jointly investigate the allegations if further action is deemed necessary. If the review panel determines the candidate and/or their supporters has violated the election campaign policy, the candidate may be disqualified from election. The decision of the review panel is final.
